

Good morning honey
Im maybe without money
But to you im no monkey
But a handsome hunky
I do not think im lucky... However funny and a blessed soul
Who will be the burning coal, keeping our fire burning
Hope i will never be a burden to you
Hope you will always find a need to love me
Hope you will always want me
I will never take you lightly
Or make you feel tiny
But one day i will make you tie me
Touch me, Torture me and use me
But never confuse me
Always confide in me
My my my i too found love
Beautiful sexy hot love
I will always look at you with these eyes
Never tell you lies
Even when the sky cries
I will always try and make them miles
Work hard and fast
Satisfying my lust and hope ill be your last
Please know this is a must
Cause one day i want everyone to look at you and say that his wife and life
